Mr. Amory:

25X1 a. Noted that [] question and answer interview with INS had been approved from the CIA point of view.

Col. White:

25X1

a. Reported that several surveys are now being conducted in the DD/P area and raised the question of piecing these out in order that DD/P might be more free to prepare for other coming inspections. The Director said he was in sympathy with this. However, he did want CIA to continue its own investigations in certain areas.

b. Briefly discussed the contents of the Alsop article appearing in today's Washington Post and Times Herald. The Director asked Mr. Amory to have [] furnish him with an evaluation on this piece.
